

Ultrasound Service system ID summary guide

Make keeping track of your ultrasound equipment quick and easy with GE Healthcare's system ID summary guide. Document your system ID, IP address, imaging room number and/or system name on the form below and post it in a convenient location. The next time you need service you will have all the information you need at your fingertips.

Assistance on your equipment is just a phone call away. Simply locate the GE CARES label on your consoles and hand-held units. These labels are placed on the units in the areas indicated on the images below. Call toll free for your equipment service or applications needs.
