

# Thermally sensitive GE ECG Recording Papers

Thermally sensitive chart papers from GE enable accurate tracings from your GE devices. Our comprehensive product line covers a wide range of formats to fit different printer configurations.

- Papers available in rolls or z-fold boxes, blank or with gridlines
- Some papers feature multiple chart versions offered with BPM scales for various patient types
- Large space for entering patient data on certain papers
- Indicators for end of pack and end of roll signal time to change paper

## Product compatibility

GE ECG papers are tested and compatible with GE Healthcare equipment.
