

# SEEING IS BELIEVING

**SenoBright™ HD Contrast-Enhanced Spectral Mammography Education is Here!**

Implement one of the best mammography technologies available to your patient.

**Look no further.  
Contrast-Enhanced Spectral Mammography education is here.**

**SenoBright™ interactive eLearning will help you implement your Contrast-Enhanced Spectral Mammography (CESM) program:**

- Learn how to set up the process with your patients and facility
- Understand the CESM clinical value, when to use it and how to manage cases
- Find out how to work with the images, how to diagnose and report from experienced users
