

We provide a range of reimbursement support services and solutions

Cerianna Access Support can assist you with:

Benefit Investigations

- Aid in determining a patient's health insurance coverage

Billing and Coding Assistance

- Guidance for billing and coding requirements

Claims Assistance

- Help in navigating through the claims process

Pre-Service and Post-Service Appeals

- Assistance with expediting these appeals

Prior Authorizations Support and Status Monitoring

- Guidance with submitting Prior Authorization Requests from insurance companies (pre-fill request on your behalf)

Medical Necessity Assistance

- Guidance in how to navigate the Medical Necessity process

Peer-to-Peer Preparation

- Provide training for HCP engagement for upcoming Payer Peer-to-Peer discussions

A Field Reimbursement & Access Specialist is also dedicated to your region to deliver reimbursement training, coding and billing support, and other personalized customer services.
