

MyGEHealthcare Equipment

Your one-stop shop to easily manage equipment and personalize service support for your entire equipment fleet

MyGEHealthcare Equipment is your online, hassle-free way to manage your equipment and fleet information. It's your one-stop shop where you can get proactive insights and service that facilitate department-wide communication.

The desktop experience of MyGEHealthcare Equipment builds on our mobile app to give you comprehensive, full life-cycle support of any device. It's a unified support experience that includes the useful features GE Healthcare customers have enjoyed for years, now delivered through a personalized dashboard and reports.

Connect with ease

- Only one registration needed
- Quickly access My GE Team contacts within the system
- Expand IB management capabilities

Operational efficiency

- Help optimize staff scheduling, manage overtime, and increase job satisfaction
- Help optimize patient scheduling, experience, and satisfaction
- Easily access analytics to guide workflow

Financial performance

- Help maintain revenue streams and avoid unexpected costs
- Help improve capital and coordinate purchase planning

The MyGEHealthcare Equipment and mobile app provide a unified front to manage your fleet

Whether at your desk or on-the-go, login through one easy-to-use platform. Customize your inventory according to specific needs and stay informed on the status of your machines by receiving notifications, insights, and reports on any device. Connect with your GE team, request maintenance, and track service from start to finish with one convenient point of contact.

It's easy to get started with MyGEHealthcare Equipment

1. Visit gehealthcare.com. Click the **Register** tab in the top-right navigation bar.

2. Enter your business email address. If you're already registered, you'll be prompted to login.

3. Enter your contact and employer information.

4. After completing the registration process, you'll receive an email asking you to create a password.

5. After you've set your password, return to gehealthcare.com and click **Sign In** in the navigation bar.

6. Sign in with your credentials.

Now you can access all the features of MyGEHealthcare!

You can also register through the MyGEHealthcare App:

1. Download the MyGEHealthcare App in the Google Play or Apple App Store.
2. Open the app.
3. Follow the prompts on the screen to register.
