X-ray RAD Bear Brook Adventure
for the Discovery* XR650

Wall 1 Applique

Put children first with the GE Adventure Series*, an experience designed to make imaging more inviting for pediatric patients. Through themed imaging rooms, GE Healthcare leverages captivating characters, lush visuals, and hands-on activities to enhance the imaging experience for children and their families.

There is a story ready to be written. It's the story of your facility taking steps to become a leader in child-friendly imaging. And GE Healthcare is here to help you get started. We'll show you how you may use Adventure Series themes to enhance the imaging experience for patients, families, and your hospital staff as well. What's more, Adventure Series themes may be used to differentiate your facility in the marketplace and help you stand out as the 'go-to' facility for pediatric scans. It could be a win-win for everyone.

Adventure series rooms are also available for CT, PET/CT, MR and Nuclear Medicine. Visit us online at www.gehealthcare.com/adventureseries to see our complete offering.

To learn more about Adventure Series, contact your local GE representative or call 1-877-248-5355.

Adventure Series is available for sale in the U.S. and Puerto Rico only.
